

# Mammo Viewing Boxes

designed for high end  
mammography examination

# Solutions

These mammography illuminators are specially designed to meet all specific requirements of this delicate examination. A set of blackout curtains, used in conjunction with new-generation high-frequency electronic ballasts and high-luminance tubes, enables the light power to be regulated from 5800 to more than 7000 cd/m<sup>2</sup>. Our control of industrial processes guarantees uniformity compliant with new regulatory requirements.

Medical diagnosis device (class 1).

### Technical Characteristics

- Sheet steel case (10/10) with epoxy covering and anodised aluminium upright sections.
- Wall fixing: recessed holes for hooking at the back of the device
- Light source: straight “day-light” fluorescent tubes, colour temperature >6500° Kelvin
- Diffusing screen: acrylic, semi-translucent diffuser, 3 mm thick
- Light intensity: can be regulated from 5800 to 7000 cd/m<sup>2</sup> depending on model.

Extremely uniform (standard DIN 6856)

- Top film grip: by treated steel rollers, non-wearing and non-loosening.
- Adjustable nylon wire to secure small formats.
- Central film grip (only for Mammo N120).
- Curtains: 4
- Lighting control: by electronic dimmer
- Power supply cable: standardised, 2 poles + ground
- Power supply voltage: 210/240 V, 50/60 Hz (contact us for other voltages)

### Options:

Mobile stand, adjustable magnifier, adjustable centre film grip, canopy, set of supports to put the unit on a table, motorized shutters

### Specifications

	type	lighting sections	Viewing area	Overall measurements			Net weight
				Length	Height	Depth	
horizontal	Mammo N80	1	73 x 43 cm	103 cm	72 cm	13 cm	33 kg
horizontal	Mammo N120	1	2 x (108 x 28)	131 cm	87 cm	13 cm	50 kg

### Number of shots

	type	18 x 24	24 x 30	36 x 43	Luminance (cd/m <sup>2</sup> )	Deviation from uniformity at 10 cm
horizontal	Mammo N120	12	8	3 *	> 5800	10%

\* with adjustable film grip option

### Packaging

	type	Measurements	Volume	Weight
horizontal	Mammo N120	149 x 102 x 32 cm	0,500 m <sup>3</sup>	70 kg
